

Welbourn Church of England Primary School

'Believe, Excite, Succeed, Together'

Tuesday 9th May 2023

Dear Parents and Carers,

Term 5 is already providing lots of opportunities for our children, including; new clubs, Forest school for Topaz Class, new music lessons and much more. Please find information about your child's topics on our school website on the class pages. <https://www.welbournprimary.co.uk/>

Coronation Celebrations

We had a brilliant time celebrating the King's Coronation. Thank you for all of the food donations and joining us for the picnic. The children enjoyed dressing up, having some party treats, playing games and dancing. We hope you enjoyed the rest of the celebrations this weekend. You will shortly be able to view some of the artwork of King Charles on the playground fence.

SATS

Year 6 will complete their SATS this week. They will be allowed to bring a mascot and a cushion into school and have breakfast each day. Year 6 children can come to school from 8.30am this week if they want too. On Friday afternoon we have a treat for the children. We would like to say that we are proud of the children for working hard in preparation for the tests. We know that these only measure a small part of how wonderful each individual children is.

Online Safety

We have had some children who have experienced seeing, searching and talking about Momo, which is a scary character online that sets challenges for people, some of which are dangerous. We continue to have a filtering system in school but would kindly ask that you reinforce safety measures and parental controls at home.

More information can be found here: <https://www.rollingstone.com/culture/culture-news/what-is-momo-challenge-800470/>

Friends of School

Our wonderful Friends of School have purchased some books for each class, which have been chosen by the children. Thank you! Please contact the school office if you would like to help support the Friends of School – without your help, we can not afford luxuries for our children, such as new games, toys, resources and trips.

Hope you had a great weekend!

Kind regards
Mrs T Boulter

Here's a glimpse into our week...

Topaz Class have enjoyed music lessons using percussion, developing skills as part of Forest School and role playing scenarios to show how to be helpful and thankful.

Emerald Class have been developing throwing skills in cricket, editing and recording their voices in computing and observing tadpoles as part of their science topic.

Amethyst Class have been learning about the effects of drugs and alcohol in science by taking part in a workshop, led by 'We Are With You'. They have been using role play in Myhappymind workshops and developing batting skills in PE, whilst playing rounders.
