

## Welbourn Church of England Primary School

*'Believe, Excite, Succeed, Together'*

**Friday 2<sup>nd</sup> February 2024**

Dear Parents and Carers,

We've had another brilliant week of learning. On Tuesday every class had a music workshop with a special visitor. Topaz Class created a piece of music inspired by the weather using djembe drums, Emerald Class performed a special chant using taiko drums and Amethyst class performed a song using djembe drums. During the afternoon, we all took part in a showcase and performed to the whole school and staff – it was amazing!

On Wednesday, Reverend Sara Davies, led our very first Candlemas. Children from each class helped to perform a special bible story and lit candles during the prayer.

### Parent sharing opportunities

On Thursday 8<sup>th</sup> February, Topaz and Emerald Class invite parents to come into class so that your children can share some of the learning that they have been doing this term. On Friday 9<sup>th</sup> February, Amethyst Class invite parents to showcase their music knowledge that they have been learning with Mr Roberts. Both events are at 3.00pm and will last approximately 30 minutes.

### Young Voices

On Monday 19<sup>th</sup> February, a group of KS2 children will be taking part in the Young Voices concert day at Sheffield arena with lots of other schools and celebrities. Miss Bonsall and Miss Gadsby have been practicing the songs with the group and we are looking forward to an exciting day. A letter will be sent to the parents of the children who are attending so that you know the final arrangements for the day.

### Children's Mental Health Awareness Week

Next week we will be participating in activities and assemblies to raise awareness of mental health and wellbeing. Our MyHappyMind ambassadors will be leading some competitions and worships to discuss how to look after your wellbeing and share strategies. They have been busy preparing for this event this week and sending secret 'gratitude notes' to children and staff across school to show them how grateful they are.

On Tuesday, it is Safer Internet day, we will be learning about how the internet and others online can influence us. This can be a good or a bad thing. We will be discussing strategies to help us recognise that what we see online is not always real.

### Friends of School

We are desperate for help to raise money for our school for extra activities such as Forest school, school trips and Easter activities, please email the school office or talk to me on the gate if you can help us!

I hope you all have a lovely weekend, we look forward to seeing you all on Monday at 8.45am.

Kind regards  
Mrs T Boulter  
Headteacher
