'Believe, Excite, Succeed, Together'

Friday 30th June 2023

Dear Parents and Carers,

As you know, we had a visit from Ofsted last week. We had two inspectors for 2 days and this was a graded inspection. We look forward to sharing the report and result with you. Until then, we are not allowed to discuss this. Please be patient, this may take up to 30 working days. What I can tell you is that our inspectors said that our feedback was 'overwhelmingly positive'. Please view the results below: <https://parentview.ofsted.gov.uk/parent-view-results/survey/result/15304/13>
Thank you! We are delighted that 100% of you would recommend us to other parents.

Parent app (Parent Hub)

We now have a new communication system, which can contact you via an App, text message and email. Please use the poster attached to download the app. We can still see that lots of parents still haven't been able to do so. We will begin to use this next week.

We also have a new sign in/out system for staff, visitors and parents. You will be invited to sign in using the ipad at the school office, this is a more efficient way for us to track visitors and for when we have fire drills.

Sports Day

We are looking forward to Sports Day on Monday. Children are allowed to come to school in their PE kit. This should be a white or blue t-shirt, black or navy blue shorts, leggings or tracksuit bottoms and trainers. They can bring a black or navy hooded top in case it gets cooler. Please do not send your child to school in a colourful tracksuit. We will have a surprise visit from the ice-cream van so please feel free to bring some extra cash if you would like to purchase one for yourself and siblings. Parents are welcome to join us at 1.30pm on the field to watch races. Depending on the weather please ensure that your child has had sun cream applied and also bring some to reapply later on if needed. Please also ensure that your child has their water bottle with them.

PGL

We have finally been given the details about sleeping arrangements and activities for next week. Please look out for the letter for this. There will be a short meeting at 3.30pm on Monday for you to ask questions. Children who are left in school from both classes, will complete a range of learning activities with Miss Hope, including cooking, art, orienteering and visiting the park.

School Picnic on Friday 14th July – 6.00pm to 9.00pm

Please contact the school office to purchase your tickets for the annual school event. We have lots of music and performances, stalls and refreshments for you to enjoy. This is to raise money to give our children those extra special opportunities that our school budget does not cover such as class luxuries, resources and toys, to subsidise trips to make the cost cheaper for parents and end of year parties.

We have lots of events in school this term so please keep checking our notice board and our school website.

Kind regards
Mrs T Boulter

Sports News

Last week, some children from Year 6 took part in a transition sporting event, hosted at our school. Several local schools visited and the children thoroughly enjoyed it. This is part of our Carre's Sports competition offer. Thank you to Miss Steer for organising all of the sporting events.

School Council News

On Friday, we planned a Pyjamarama day and cake sale to raise money for Children with Cancer. Our children enjoyed coming to school in their PJs and we enjoyed the film. We raised £106 for the charity - thank you for your support as always.

Attendance

We continue to monitor attendance, in line with expectations from the Local Authority and will not authorise any holidays during term time.

Safeguarding

If you have any concerns about the welfare of a child, please call: 01522782111 or reported to a staff member in school.

Here's a glimpse into our week...

Topaz Class have enjoyed their tractor visit and making viking longboats

Emerald Class have enjoyed taking part in an acting workshop with the students from Sir William Robertson Academy and learning life saving skills in the water

Amethyst Class enjoyed candling the duck eggs in preparation for them hatching on Tuesday, also their trip to The Bomber Command Centre with other schools this week.
