

Geography Long Term Plan

Welbourn C of E Primary School

'Believe, Excite, Succeed, Together'

YEAR A

	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
Topaz (Reception)						
Emerald (Year 1 and 2)		What happens to the letters we post?		Would you rather live in Kenya or Welbourn?		What type of animals live in the jungle?
Amethyst (Year 3 and 4)			Would you like to live in India?	Why is the earth so angry?		Which continent would you like to live in?
Moonstone (Year 5 and 6)			Why is our world wonderful?	How can we save our planet?		What is Greece like today?

YEAR B

	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
Topaz (Reception)						
Emerald (Year 1 and 2)			Would you like to live in China?		What causes a commotion in the ocean?	What makes our country so unique?
Amethyst (Year 3 and 4)		What was life in Roman Lincoln like?			Where does the river flow?	Why are mountains both beneficial and challenging for people?
Moonstone (Year 5 and 6)	How has WW2 affected us today?		How diverse is Africa?		Why is the Amazon Basin important?
