

Welbourn Church of England Primary School

'Believe, Excite, Succeed, Together'

Friday 16th October 2026

Dates for your diary

Dear Parents and Carers,

As we reach the end of the penultimate week for this term, I am amazed by how many wonderful things we have fitted into the first 7 weeks back at school. The children have settled into their new classes and the learning taking place is wonderful to see – I'm sure you will agree based on the ClassDojo messages you receive.

Website

I am pleased to announce that our school has a new website! The information has been transferred across, and staff are now able to update and add information much more easily. Hopefully, as parents/carers you will also find it easier to navigate and find the information you require. Have a look at see what you think. If you have any ideas about other things that maybe useful/beneficial to have on their please let me know.

Friends of School

Our Friends of School are continuing to think about activities that can be built into the school calendar to enhance and engage the children. Next week they will all be decorating a paper plate in the style of a pumpkin. These are then going to be displayed at Coleby Pick Your Own Pumpkin patch. If you are visiting over half term, take a look!

Parents Evenings

Parents Evenings are due to take place next week, please use the clipboards in the main entrance to sign up for a slot to speak with your child's teacher. Alternatively, you can either Dojo message your child's class teacher or phone the school to get booked in. On the evening it will be an opportunity to talk about how they have settled into their new year group and look at their English and Maths books, to share the learning they have completed so far.

Collection Times

Please can I kindly ask for your support in collecting your children promptly at school pick up times. Our school day ends at 3.30pm. This is the time that all children should be collected. Of course, we understand that sometimes life gets in the way and on occasion you may be running late. If this is the case, please let us know to save staff from standing outside unnecessarily. Otherwise, if you know you are unable to make it for 3.30pm each day then please use the after-school provision, the details are below.

After School Clubs/provision

It is a pleasure to have EcoCoach providing the afterschool provision for our school. We have seen an increased uptake in the number of children joining the clubs and using the wraparound care. After the October half term, the clubs have been tweaked based on what the children were saying they would like.
